Voluntary contribution records

Name;……..

It is important you record work you have carried out for the …….. ……. Group or pest and predator control work on your land that has not been paid for by the project. There is an expectation made by the funders that landowners contribute to the project and this may be audited in the future. Note ALL costs! Use like a diary.

Date	**Hours**	**Other costs** (mileage, equipment, machinery use)	**Details**
